

Automatic Textile Screen Printer

Features:

- **Air Driven**
- **Air Printhead**
- **From 4 Colors/6 Stations to 7 Colors/8 Stations**
- **Maximum Image Area 41 x 41 cm (16" x 16")**
- **Standard Pallet Size 41 x 56 cm (16" x 22")**

European Technology • Quality Service • Affordable Price

The MiniMatic is the first entry-level automatic to offer superior construction; and it is ready to tackle the most rigorous print jobs. MiniMatic offers standard features that outclass the competition with its compact design plus the highest production rate of any entry-level automatic. The MiniMatic has proven itself to be a rugged machine. It is designed with the latest technology, from Industrial Electronic Control Systems through its industry recognized pneumatic indexing; and all of this is coupled with an air driven printhead. MiniMatic will offer your production floor the most robust printing platform with 41 x 41 cm (16" x 16") printable image area, available in 4 Colors/6 Stations to 7 Colors/8 Stations. The MiniMatic provides extreme flexibility, superior durability, the highest print quality, and optimized performance for a new decade of textile printing.

The MiniMatic Series Printheads

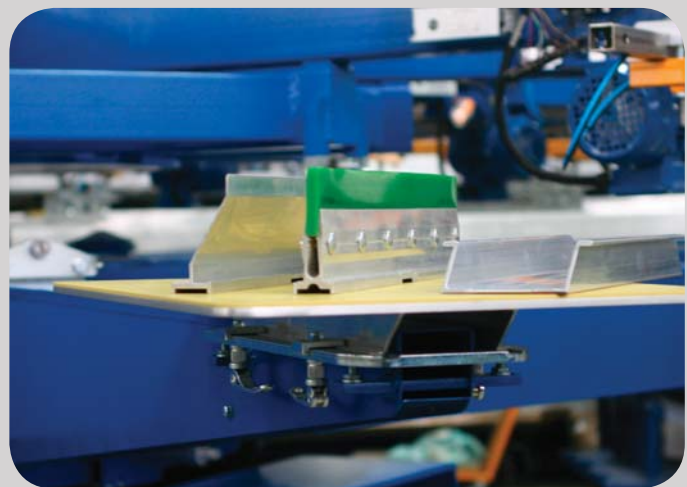

- Fast & Reliable Air Driven Print Stroke
- Easy Screen Loading with ultra stable Manual Screen Clamps
- Independent Squeegee & Floodbar Speed with Side Adjustment
